Mad Hatter Drive Ideas

Fundraising events and hat drives can be lots of fun and can be included during many different events. Here are some ideas to get you started.

- Elementary, Middle & High Schools: (Clubs and Organizations, too!)
 - Challenge your rival school or schools and try to raise the most or combine efforts.
 - Hold a Mad Hatter's Silly Hat Day, because Mad Hatter Day is also known as the Second Silliest Day in the Year! The teacher can read all about the Mad Hatter to their students. Classroom parents can organize an ice cream social for this event.
 - Hold a Mad Hatter Hat Parade where students donate \$1 to wear their favorite hat/silliest hat, etc... and hold a parade during recess or after school.
 - Host a Mad Hatter tea party and ask for people to bring donations with them to attend.
 - Host a drive during your Fall Festival or Town Fair.
 - Incorporate a drive during Spirit Week and use one day for all the students to donate \$1 to wear their favorite hat.
 - Hold hat days each Friday for a month or two months, asking people to donate \$1 to wear a hat.
 - Host a drive during a football game (Homecoming is a great time to do this to get the community involved, too!). Collect donations at the ticket booth or the concessions stand.
 - Host a Dance-A-Thon and have people pledge for each hour you dance.
 - You can setup your own online fundraising page at: <http://fundly.com/hatsoffforcancer>
 - Coin Wars – get large jars and each grade put coins in their jar, the winning grade gets to wear a hat for a day.
 - Hold a Car Wash and ask for donations for HOC.
 - Hold a Bake Sale near your school cafeteria.
 - Organize a concert at your school or get the Student Government involved and host a Coffee House open-mic night.
 - Host a Battle of the Bands and collect donations as entry fees to the show.

- Have a school club host the drive, put up bins in school and around town for donations.
- Go to your local grocery store or local shop and see if they'd be willing to help fundraise by asking their patrons to donate \$1-\$5 and write their name on a paper hat to put up around the store. (You can download these cutouts on our site, cut them out and then bring them to the store).
- Colleges and Universities
 - Fraternities and sororities or clubs - challenge your sorority sisters, fraternity brothers or club members around the country.
 - Hold an all-night lock in or midnight breakfast. Ask students to donate to attend. Get local stores to donate food for event.
 - Ask the community to put up posters and donation drop offs for the community to get involved.
 - Hold a concert for local bands and ask people to donate their time and charge an entry fee to raise money.
 - Get a local travel company to donate a trip and have students purchase raffle tickets for \$10 or \$20 for a chance to win.
 - Also see ideas listed under schools.
- Companies
 - Ask people to bring in a new hat that is kid-friendly or a donation for HOC.
 - Get multiple offices in different locations to participate and allow an extra casual day for the winning location.
 - Allow people to wear their favorite hat to work on a casual day and donate \$5-\$10.
 - Host a Bake Sale.
 - Host a movie party on a Friday afternoon and sell a pass for \$5, show the movie in the conference room and pop some popcorn.
 - Organize a golf outing and ask your company to sponsor. Charge entry fees to raise money.

If you have more ideas, let us know and we'll add to this list!

Guide for Fundraisers and Hat Drives

- Find a place to donate the hats, i.e.: Children's Hospitals, summer camps, cancer outpatient clinics, centers, foundations, Ronald McDonald houses. *(If you cannot find a location, you can send them to the HOC national headquarters for distribution)*
- Set your goal for money raised and/or hats collected.
- Target dates for the drive:
 - The drive could incorporate Mad Hatter Day on October 6th or can be held during September for Childhood Cancer Awareness Month, October or November.
 - The hat drive can be held for as long as you want.
- Get proper permission to hold hat drive, i.e.: please get community service advisor approval, schools-check with principal, towns-check with town council, civic organizations-executive committee approval, companies-community service representative.
- Organize a committee, pick kick-off date and wrap-up date, make posters and/or flyers to advertise, call local media to announce drive, organize drop off sites, set-up bins for donations.
- Set up a fundraising page for your event here: <http://fundly.com/hatsoffforcancer> and let people know they can donate directly online. All donations will receive a gift receipt to be used for tax purposes. You can keep track of funds raised through this page.
- Continue to check drop off sites and collect funds and hats throughout the drive.
- **Remember all hats MUST be brand new, logo friendly (no smoking logo's, alcohol logo's, violent logo's): hats should be kid-friendly (something kids would enjoy wearing).** Any hats donated that do not fit the Hats Off For Cancer profile should be donated to a local good will charity.
- Go through every hat donated and make sure they are new!
- Optional: Use the note tags and add a message to the tag before tying it the hat with ribbon. You can also leave tags at drop off sites for personalized messages from donors.
- Hold wrap-up celebration to count the hats and enjoy your success. Remember any amount of hats collected is a successful drive!

- Take lots of photos and videos to share with HOC to see your group on HOC's website!
- Call local media with final hat count and invite them to attend your wrap-up celebration. Local newspapers and news stations like to share community service news with your area.
- Send copies of all newspaper articles, or links to any TV or online coverage.
- Fill out results form and mail it in with donation (if applicable).
- All funds raised should be sent to Hats Off For Cancer immediately after the event. Money orders, cashier checks, and personal checks will be accepted. Please make them out to **Hats Off For Cancer**.

Please note: Hat donations must be **BRAND-NEW** due to the low immune systems of the people receiving hats.

Thank you for hosting an event for Hats Off For Cancer! You are helping to make it a brighter day for children and teens battling cancer.
We appreciate you and all of your help!
